

AP Summer Reading and Written Work-2011

Tuesdays with Morrie(12), Brave New World(12), Hotel on the Corner of Bitter and Sweet(11), and A Separate Peace(11)—prepare for quizzes the first day of school. Discussion of novels will follow and tests will be given.

In addition to these two books, you must read *Cat's Cradle* by Kurt Vonnegut and *Speak* by Laurie Halse Anderson. You are to type a 500 word summary for each novel, include quotes, examples, and excerpts from the books. Use MLA documentation. Speak to the writers' styles, use literary terminology--ex. figurative language, imagery, characterization, irony, etc. This typed work is due the first day of class, August 17th.
