Parents:

What an exciting time of the year! School is about to begin, and football season is ready to return to Island Christian! As Mr. Hammon announced in the spring, the Eagles from ICS will be playing 6-Man Tackle Football beginning this fall. This new adventure is just one exciting event planned for our student-athletes this school year.

As with all new ventures, we do need your help to make this an outstanding success for our students. Listed below are the expenses we foresee as necessary to start the football program. It is the desire of the Booster Club to support all of the athletic teams by coordinating the fund-raising needs. We are in the process of organizing a number of events as school opens to support the new football team as well as the other returning teams to ICS.

Would you please review these expenses and discuss as a family how you might help? Please feel free to contact us once you are ready to make a commitment in time, money, or both. If you know of a business or entrepreneur who would like to partner with us, please let us know. We realize it will be a complete team effort to get our ICS teams ready for a great year!
